

Guidelines and required documents

The Unit of Excellence María de Maeztu DAUCO (2020-23) offers two 3-year pre-doctoral contracts for students of all nationalities. The selected candidates will be incorporated on February 1, 2021, and at that time they must enroll in one of the PhD programs attached to Higher Technical School of Agricultural and Forest Engineering (ETSIAM).

The candidate must attach to the application following documentation:

- Academic record
- Curriculum vitae (free format)
- Memory of the Doctoral Thesis project and report from the directors (ANNEX 1)

The Doctoral Thesis project memory must be adapted to the research activities within DAUCO Excellence Unit research lines.

Application deadline: January 11, 2021
